

ANILA GOUDA

Aspiring Java Developer

Email: goudaanil106@gmail.com

Contact: +91-9327502798

Professional Summary:

Enthusiastic and results-driven Computer Science graduate with a solid foundation in Java, HTML, CSS, JavaScript, and Oracle. Adept at applying academic knowledge and hands-on project experience to tackle complex software development challenges. Committed to continuous learning and leveraging emerging technologies to drive innovative solutions in dynamic development environments.

Skills:

- **Programming Languages:**

- **Java:** Object-oriented programming, core Java concepts, basic application development.
- **Spring:** Spring core
- **Spring Boot:** Spring boot core, Spring boot data JPA, Spring boot MVC, Spring boot Rest APIs
- **HTML/CSS:** HTML5, CSS3, responsive design principles, and styling techniques.
- **JavaScript:** Fundamentals, DOM manipulation.

- **Database Management:**

- **Oracle:** SQL querying, basic database design and operations.
- **Mysql :** Manipulation of data

- **Tools & Technologies:**

- **IDEs:** IntelliJ IDEA, Eclipse.
- **GitHub :** Tracking changes, and collaborating with others
- **Agile :** Worked in Agile teams to deliver software in iterative sprints

- **Soft Skills:**

- Problem-solving, adaptability, eagerness to learn, attention to detail, effective teamwork and time management.
-

Education:

Bachelor Of Computer Application

Berhampur University

07/2021 – 04/2024

Relevant Coursework: Java Programming, Web Development, Database Management, Software Engineering, Data Structures and Algorithms.

Projects:

EBook Management System

12/2023 – 02/2024

Description: Developed a full-stack Book Delivery application with Java for backend functionality and HTML/CSS/JavaScript for the frontend. Integrated Oracle database for data management.

Technologies Used: HTML, CSS, JavaScript, Java, Oracle

Training:

Full-Stack Java Developer

Naresh IT, Hyderabad

07/2024 – 10/2024

Description: Contributed to both front-end and back-end development, gaining practical insights into real-world software development processes.

Responsibilities: Assisted in coding tasks, performed application testing, and participated in team discussions.

Skills Gained: Advanced practical experience with Java and web technologies, enhanced teamwork and communication abilities.

Additional Information:

- **Languages:** English, Hindi, Odia
